Fragrance	Fresh rain
pH	11

FORMATS & CODES	
20 L	INO-PROWSH101-20
55 L	INO-PROWSH101-55
210 L	INO-PROWSH101-210

SDS

PRO wash 102

Additive for commercial laundry

Boost the power of your wash.

PRO wash 103

Powerful stain remover for commercial laundry

Goodbye to the toughest stains.

THE PERFORMANCE ALLY OF PROFESSIONAL WASHING

INO PRO wash 102 is a concentrated alkaline additive that boosts detergent power. It is highly effective at removing oil and grease stains. It helps protecting the fabric from graying by preventing soil redeposition.

BENEFITS

 Optimizes detergent performance

 Protects fiber structure and extends textile life

 Improves whiteness and cleanliness

 To be used with PRO wash 101 or 104 as needed

FEATURES	
Appearance	Clear liquid
Fragrance	Neutral
pH	14

FORMATS & CODES	
20 L	INO-PROWSH102-20
55 L	INO-PROWSH102-55
210 L	INO-PROWSH102-210

POWERFUL STAIN REMOVER & WHITENING AGENT

INO PRO wash 103 is a high-performance concentrated stain remover formulated to remove grease, oils, and stubborn stains on all types of textiles.

BENEFITS

 Targeted action on tough stains

 Compatible with many fabrics

 Concentrated formula = maximum efficiency

 Optimal results from the first wash

FEATURES	
Appearance	Light yellow liquid
Fragrance	Chlorine scent
pH	12.5
